**Notes:**

1. The schedule is subject to change during the academic year.
2. "Department of Industrial Technology and Innovation" in the Graduate School of Engineering follows the academic calendar that applies to the Faculty and Graduate School of Engineering, in principle. However, its calendar may be altered due to possible classes held during evening hours and on Saturdays.
3. "Cooperative Division of Veterinary Sciences" and "Cooperative Department of Veterinary Medicine" follow the academic calendar that applies to the Faculty and Graduate School of Agriculture, in principle. However, their calendar may be altered due to the necessity of classes held in conjunction with Iwate University.
4. Faculty and Graduate School of Agriculture only: classes are cancelled on December 5 due to the graduate school entrance examinations. Classes WILL BE held on January 30 to substitute Thursday-cancelled classes, and classes MAY BE held on February 5 to substitute Thursday-cancelled classes.
5. The spring/summer semester is from April 1 to Semester 30, and fall/winter semester is from October 1 to March 31 of the following year.
6. Intensive classes may be held even during summer, winter, and spring breaks at the discretion of instructors.
7. Academic year 2024-2025 consists of four quarters: the first quarter (April 1 to July 31), second quarter (August 1 to September 30), third quarter (October 1 to February 5 in the following year), and fourth quarter (February 6 to March 31 in the following year). The duration of each quarter may be altered each academic year.
